

Little Learners Newsletter 15th July 2016

As we approach the summer holidays we remind you that Little Learners Nursery will be open as usual throughout the school summer holidays with the exception of the Bank Holiday on Monday 29th August when the Nursery will be closed. Our admin team will be working on reduced hours so if there is nobody in the office please come straight down to the Nursery. The open day we held last Friday was a success and many visitors commented on how polite and friendly our Little Learners were – we are sure you will join us in feeling really proud of them. If you have recommended anyone to us recently please do let us know and we can arrange your free half day session.

Car park restrictions – Friday 22nd July 2016

Friday 22nd July is the last day of this academic year for the children attending St Anne's Primary School. To mark this important date the Year Six children from Hewish will be celebrating with an event @West Wick. We are therefore asking that the car park @West Wick is completely clear of all cars between 1.30pm and 4.30pm next Friday. Please can we ask Little Learner families to park outside of the school and walk in for between these times. This shouldn't disrupt our families as this is after our drop off/collection times for our sessions. Thank you for your co-operation and patience.

Leavers Service

Our leavers service will take place on Tuesday 19th July at 9.30am. We anticipate it will last between 20-30 minutes. Children will need to be dropped off at the Nursery entrance at 9.20am and we will then ask the parents to go to the hall via the main school entrance. Part of our celebrations will involve talking to the children about what they would like to be when they are older. We would like to invite the children to

dress up as their chosen occupation. Please note a superhero is a perfectly acceptable career choice! We really can't wait to share what has been a very special year with you.

Drawstring Bags

We are delighted to let you know that NK Sports are now selling our Little Learner Drawstring Bags. These are available at a price of £4.99.

NK Sports have also asked us to let you know they are offering 5% off everything online throughout July and August.

PACEY Starting School Together Project

Initially funded by a grant from the Department for Education, this project was aimed to help improve children's transition from childcare into full-time education, focusing particularly on children in areas of disadvantage.

As a result of this project, PACEY have developed a toolkit which can be used to support children's transitions into school. The toolkit includes a bank of useful factsheets and guides can be accessed using the link below:-

Congratulations

Amy has now completed her studies and is due to graduate with a First Class BA Hons in Early Years Education next Thursday at Bath Spa University. Well done Amy!

Enterprise at Take5 @WestWick

Busy Bees and Year 1 children from St Anne's @West Wick have been busy making play dough and bubbles to sell at Take5 on Monday 18th July between 2.30pm – 4.30pm. If you can make it along it would be great to have your support for the children's entrepreneurial efforts.

Starting School – September 2017

For children due to start school in September 2017, dates are now available for prospective parents to visit St Anne's. Our next open days will be in September. Please phone the school office to book an appointment to meet Lisa Dadds, Head teacher to have a look around our lovely school.

Monday 19th September 1.30pm @West Wick
Monday 26th September 1.30pm @West Wick
Friday 30th September 9.00am @Hewish
Friday 7th October 9.00am @Hewish

What to do this Summer..

Science Roadshow

Cambridge Hands-On Science (CHaOS) are bringing their annual roadshow to Clevedon 1st Scout Hall on Saturday 23rd July. This is a free event for families. Check out their website for more information

<http://chaoscience.org.uk/>

HANDS-ON SCIENCE ROADSHOW **FREE** CHaOS SCIENCE ROADSHOW

Have you ever wondered what music looks like? What's inside your body? What creepy-crawlies do all day? (apart from all the creeping and crawling, that is!) Discover the answers to all of these puzzles, and more!

The CHaOS Roadshow brings you fun, hands-on experiments, each with a friendly, enthusiastic student volunteer who will answer all of your questions about why the world is the way it is!

Cambridge Hands-On Science (CHaOS) has crazy, messy, loud and exciting experiments for kids and adults too! Join us for a great family day out!

Saturday 23rd July, 11:30am - 5pm
1st Clevedon Scout Hall

Great Western Road, Clevedon, BS21 6HB

CHaOS has been generously supported by

Weston Museum – Beach Lawns
