Freely you have received, freely give
Matthew 10:8

- ✓ Give from the heart. Give because you want to make someone happy not because you want something in return.
- ✓ Being generous will make you happier.
- ✓ Pay someone a compliment and be generous with kind words.

GENEROSITY: the quality of being kind, understanding and not selfish: the quality of being generous, to give freely without limit or conditions: *especially* the willingness to give to others

TERM 3 - 2017
GENEROSITY

“Learn to Love...Love to Learn”

As we begin this new year we will give thanks together for the generosity of our friends, family and community of St. Anne's.
We are truly blessed!

You have not lived today until you have done something for someone who can never repay you
John Bunyan

No one has ever become poor by giving
Anne Frank

For reflection.....

- Do our children truly understand the concept of giving without seeking any reward?
- How are they encouraged to act with generosity in both their words and their actions?
- How do we enable the children to consider the importance of being generous not only with material objects, but also with time, spirit and talents?
