

'Keep up with your Learning'

Year 5

Summer 2020

We are very impressed with the engagement and enthusiasm of both Year 5 Crews over the past few months. To keep you busy over the summer period, we have listed a few exciting activities which you may enjoy and find helpful in preparation for Year 6.

Meet the Year 6 Crew	Summer Challenge
Mrs Webb, Mrs Coulton, Mr Moor - Class Teachers	Summer Challenge In September, our learning theme will be
	Why do we remember? We will be using historical sources to learn about life in Britain during WW2. As we are currently living through an historical 'event' it would be fantastic if you could keep a diary of what you did, how you felt and how the current situation has affected you. You could include cut outs from the news as well as personal photos and writing. You could present this as a scrap book or keep an online record of your experiences. Wherever you are writing, please remember to take care with grammar, punctuation and presentation. You should be using full stops, capitals, apostrophes, brackets and speech marks consistently.
Miss Hooper, Mrs English - LSAs	
	
	Our first enquiry will be <i>'Is it right to kill a King?'</i> We will be studying the Monarchy in Britain. It would be fantastic if you could familiarise yourselves with some of the Kings and Queens that have ruled over our country in the past. You could also choose one of the following tasks: <ul style="list-style-type: none"> • Research your own family tree • Find out about Kings who were killed and for what reason • Present learning about famous Kings or Queens
