

# St Anne's Church Academy @Hewish & @West Wick

Term 4  
Friday 12<sup>th</sup> March 2021

Dear Parents and Carers,

It has been so wonderful to have all our children back in school this week. It was magical to witness two year three girls give each other a hug on Monday morning when they saw each other for the first time. To hear busy classrooms and children playing outside has been music to my ears. The children have been amazingly resilient and have slipped back into the routines of school smoothly. We have been getting the children outside as much as we can this week but the weather has not always been kind to us. We have been blown away by the quality of the learning on display from all our children this week- they really are super stars! We have ended the week celebrating World Maths day with a day promoting maths in the real life context of shopping. The children had great fun running their own shops whilst consolidating their knowledge and understanding of mathematical concepts. Have a lovely weekend.

## COMIC RELIEF/RED NOSE DAY

More than ever this year, we all need a bit of comic relief. Red Nose Day is next **Friday 19<sup>th</sup> March**. As you have all been superheroes this year, our theme is to dress as a superhero, wear something red or spruce up your school uniform with a superhero accessory. We aim to keep it low-key this year but activities will happen throughout the day in bubbles. If you would like to donate you can do this easily through a donations page on ParentPay – you do not need an active account in order to access this. This link will take you directly to the page and will also give you the opportunity to donate with Gift Aid if you wish.

## POSITIVE CASE

Sadly, a member of our nursery staff team tested positive for Covid during our staff twice weekly lateral flow testing regime. All close contacts were notified swiftly and the unaffected staff and children will attend nursery as usual next week. The introduction of testing now enables asymptomatic staff members to be identified which helps to minimise the spread of Coronavirus in our school community. We do our best to communicate any important information as soon as we can so please ensure that all contact details are up to date with the admin team.

If your child or anyone in your household develops any symptoms or books a Covid test, please inform school immediately and self isolate everyone in your household.
