Term 6
Friday 8th July 2022

Dear parents and carers,

Thank you so much to all the children and their families who took part in our Race for Life last Friday. So far, the school has raised over **£1300** for Cancer research. What a brilliant achievement. What a caring and compassionate school community we have at St Anne's. Thank you everyone.

It was such a lovely event and was very well supported. Hopefully, it will become an annual event for the school.

Next week is our last full week of this term and the school year and it will be a very busy one. We have year 2 family worship and year 6 productions. On Friday 15th July, the children will meet their new teachers too! The weather is going to be gorgeous and we know it is tempting to take the children out of school for holidays and trips but it is very important that children attend school right up until the end of term. We do not want them to miss out on any of the lovely activities we have planned.

Have a lovely weekend!

There is still time to purchase raffle tickets – we have some amazing prizes up for grabs, including lots of days out for you and the family to enjoy over the summer. There will be lots of games and stalls for your all to enjoy as well as refreshments, including a bar, and an ice cream van! Please come and enjoy the fun!

HEALTHY SCHOOLS AWARD

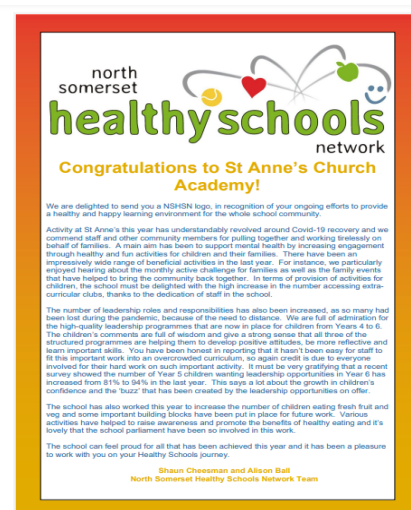

We are very proud to have been awarded a Healthy Schools award. We are one of a very few numbers of schools who took part in this award scheme this year. The whole school worked very hard under the leadership of Mrs Manning to provide a healthy and happy learning environment for the whole school community in order to achieve this award. Well done to all staff and children.

Here are some quotes from the report.

'In terms of provision of activities for children, the school must be delighted with the high increase in the number accessing extracurricular clubs, thanks to the dedication of staff in the school.'

'We are full of admiration for the high-quality leadership programmes that are now in place for children from Years 4 to 6'

'The school can feel proud for all that has been achieved this year and it has been a pleasure to work with you on your Healthy Schools journey'

FRIDGE OF FREE STUFF

Did you know that Weston-Super-Mare opened its first Community Fridge project in January? It is located in the Sovereign Centre and is open to the whole community providing free food for those in need. It is part of

an initiative to reduce food waste by redistributing supplies of surplus food from local retailers that would otherwise be thrown away. More information can be found via these links:
