

Year 6 Term Three Home Learning Revision

SAT Buster Books

We have purchased each child in Year Six the above three books to support their fluency skills in reading, maths and GPS (grammar, punctuation and spelling). Rather than send home lots of loose pieces of paper, this approach has been really successful in the past and previous year groups have enjoyed having their own books to work from.

What are the expectations?

Each book contains 10 minute tests for which the answers can be found at the back. The expectation is that children complete one test from each book, each week at home.

These tests should be self-marked by children using the answers at the back. Any questions that were answered incorrectly should be looked at again with the child attempting to get to the correct answer using another method. Please see your class teacher if you have any problems or don't understand and need further clarification.

All books must be handed in to be checked on a Thursday. They will be returned on a Friday.

Fluency Apps

As a school, we have invested in Spelling Shed and Times Tables Rockstars which provide not only classroom resource but the opportunity for children to practise fluency in both multiplication tables and spelling outside of school. The expectation is that children use both of these apps for at least 10 minutes each day.

Happy learning!
